=That's what a millenial would do
subconscious shaming female off
in response to "print-off Google"
i say wiki - who gives more
sources than you.
or conscious shaming millenial?
Let's say shame is not conscious, but shadow projection -
unification w/ shadow therapy brings out the individ unique
I'm sorry... for your drama...
Thx for your sarcasm...
BYE
bye
Sobotka recomends Lithium for millenials & bipolar
N. Europeans who talk half st
"Dr?
too many fake doctors...
will bring people drugs and meeting & them stone @ the wall & pretty pulled up in my opinion
